Why NYLT...and why ME?

National Youth Leadership Training is an exciting, action-packed, outdoor program designed to provide all youth members of the Boy Scouts of America with leadership skills, confidence and experience they can use in their home troops and crews. NYLT is designed to support the Scoutmaster's or Crew Advisor's role in training junior leaders and is designed to enhance leadership skills in a Scout or Venturer who already possesses the foundations of the skills through attendance at a Troop-led or Crew-led Leadership Training Course.

“...The NYLT course centers around the concepts of what leaders must BE, what they must KNOW and what they must DO. It is taught with a clear focus on the HOW TO...”

“...NYLT is Cool, Relevant to your Scouting position and a Whole lot of FUN!...”

About NYLT

National Youth Leadership Training Program (NYLT) is an intense, but fun, 6½ day outdoor leadership training experience for troop and crew youth leaders. Its principle function is to help Scoutmasters and Crew Advisors by training their top leaders in the skills of Leadership.

This is a national BSA-developed course that follows the material provided in the latest National Youth Leadership Training syllabus and is modeled after the 21st Century Wood Badge training for adults.

Through activities, events, games and adventures, NYLT participants will work and play together as they put into action the best Scouting has to offer. ***They will practice and experience leadership skills first hand!***

NYLT teaches Scoutcraft Skills and how to pass those skills on to the other members of the troop or crew using a Toolbox of Leadership Skills - the same ones taught in Wood Badge.

What can you expect from NYLT?

- New ideas for your Troop/Crew
- Team development experience
- Leadership practice
- Newfound Self-confidence
- Personal Growth, and
- Scouting at its BEST!!
