www.GrizzlyCustom.com

Hello,

Thank you for taking an interest in our Marlins. We are not a production manufacturer, but a true custom shop. Our rifles are built one at a time, and our customer's satisfaction is our first priority.

While we have attempted to highlight a variety of different firearms in this document, it does not necessarily cover everything that we do. If you do not see exactly what you are looking for, please do not hesitate to call or email us for additional information. Even if we don't currently build it, we may be interested in pursuing it.

We currently work on all modern Marlin lever actions, including the 39A, 336, 1894, 1895, .444, and the .450, whether it is blued or stainless steel. Unfortunately, we are not accepting work on lever actions from other manufacturers at this time.

We would like to work with you on your next Marlin project, be it a package rifle, or custom designed by you. We will build one to suit your needs, *especially* for you. We can supply the Marlin, or we can modify yours for you.

We also manufacture a selection of Bolt Action rifles, Scout Rifles, and Remington 870 shotguns.

If you require additional information, please don't hesitate to call or email anytime.

Thank you again!

Sincerely,

Lew Bonitz
Grizzly Custom Guns, LLC

Grizzly Custom "Brush Hawk" Lever Action Package

A short, fast-handling custom lever-action rifle complete with custom leather sling and butt-cuff. An excellent choice for whatever you are chasing in the brush. This package can be built on an 1895, 336, or 1894.

Package modifications and parts include:

Shorten and re-crown barrel at 16.5"	Trigger job with DRC trigger
Custom LPA ghost ring sight system with single post front sight	Stainless steel follower
Premium quality dovetail fill to replace factory rear sight	Bobbed hammer
Custom enlarged lever loop	Pachmayr Decelerator recoil pad
Smooth all ports, inside and out	Complete action dehorning
Modify loading gate for easier loading and unloading	Custom padded "Slimline" leather sling
	Custom leather slip cover w/ cartridge loops
	Extensive action smoothing
	Satin matte metal prep and bluing

Package price is \$1,360, on your blued rifle

Package price is \$1,565 on your stainless steel rifle

We can supply the rifle as well, if desired.

Please call for pricing on various models.

Please call for availability and options

Prices and specifications are subject to change at any time.

Prices shown include a discount for cash or check payment. Credit cards will add 5%.

Grizzly Custom "Po-Boy" Lever Action Package

While this is a package designed to get you started with the basics, we can add whatever options you like to it. This package can be built on an 1895, 336, or 1894.

Package modifications and parts include:

Trigger job on Marlin components	Custom enlarged lever loop
*Skinner sights	Pachmayr Decelerator recoil pad
Custom padded "Slimline" leather sling	Custom leather slip cover w/ cartridge loops
Marbles dovetail fill to replace factory rear sight	Leather butt-cuff ammunition carrier

*Standard 1894, 1895, 336 sights, using the factory front sight. Optional front sight inserts or other rear sights are available at additional cost.

This package was designed so that refinishing of the rifle is not necessary. Some additional options may require a refinish.

Package price is \$495, on your blued or stainless rifle

Please call for availability and options

Prices and specifications are subject to change at any time.

Prices shown include a discount for cash or check payment. Credit cards will add 5%.
