ST. MARY CATHEDRAL SCHOOL

PRESCHOOL 3 YEAR OLD PROGRAM

Learning Today... Leading Tomorrow

ST. MARY PRESCHOOL

WHAT IS IT?

St. Mary Cathedral School's **3 Year Old Preschool Program** strives to incorporate many critical tools that are developmentally appropriate to nurture your child spiritually, academically, socially, and physically as they become the leaders of tomorrow.

WHERE IS IT?

The Preschool Program will be held at **St. Mary Cathedral School** in the Preschool classroom. Your child will also be able to utilize school facilities including the multi-purpose room, gymnasium, cafeteria, computer lab, and the media center.

WHEN IS IT?

The Preschool program is currently accepting registrations for the **2010-2011** academic school year.

Classes will have two sessions, one session will be held on Tuesday and Thursday, the second session is Wednesday and Friday. Both class sessions meet from 8:00 a.m. to 11:00 a.m.

WHO IS TEACHING IT?

St. Mary Cathedral School's Preschool is blessed to have **Mrs. Kathleen Powers** for a teacher. She is an experienced, enthusiastic individual, who enjoys helping young children establish a solid foundation through experience and play.

LEARNING TODAY...

AGE OF ENTRANCE:

St. Mary Cathedral Preschool Program will accept students who are **three years of age on or before September 15th and are completely potty trained.** Due to State regulations, there are no exceptions to these requirements.

LEADING TOMORROW

Invest in your child's Future

The **Preschool Program** investment is \$800.00 per child for the 2009/10 school year. If you register before April 15, 2010, the 2009/10 tuition rate will be honored. Any registrations received after April 15, 2010 are subject to a tuition rate increase approved by the Finance Council. Included in this cost is a \$100.00 non-refundable fee due with the registration form. Preschool registration and tuition is separate from Pre-K & K-12 registration and tuition.

St. Mary Preschool is committed to...

- ◆ Providing the opportunity for play, having fun and making new friends.
- ◆ Giving children an opportunity to express themselves throughout their school environment.
- ◆ Incorporating opportunities for children to practice life-skills into daily routine; learning how to dress themselves, table manners, and social skills.
- ◆ Creating opportunities to build vocabulary including listening, speaking, and beginning reading skills.
- ◆ Enrich each child's social skills, expand their attention spans and problem solving skills.
