As part of the preparation to enter the teaching profession, a student in the *Educational Psychology Fieldwork* experience is placed in an educational setting for approximately 40 hours over the course of the collegiate semester. The student's primary objectives are to observe and assist teachers in various capacities in order to complete course assignments, as well as learn about the roles and responsibilities of people who work in the school. Therefore, we are asking you to provide feedback on the students' experience and how his/her performance impacts their future training and preparation in becoming an educator. Thank you.

1. Has the student made at least one visit per week (approximately 40 hours total)?
Yes No Do not know

2. Did the student arrive on time to complete his/her fieldwork hours?
Yes No Do not know

3. Did they offer assistance in tutoring one or more students?
Yes No Do not know

4. Does the student convey a professional attitude/appearance?
A great deal Somewhat Unable to judge

5. How has the student offered to be of assistance?

6. In your professional opinion what are some "pearls of wisdom" you can offer the student?

The ratings and comments will be pooled by the School of Education to give a solid assessment of student performance in fieldwork. Please note that this evaluation will be shared with the student and that the student may also request a copy. If there are any questions, concerns, or comments, please contact the college instructor or the School of Education at (609) 652-4688. Thank you for your assistance.

Submission Protocol:
Provide a copy of the form to the fieldwork student in a signed & sealed envelope (sign across seal for security purposes) for them to submit directly to their college fieldwork instructor.

In gratitude of mentoring a fieldwork student in our program we hold an Appreciation Breakfast in June. Please provide us with your email address if you are interested in attending: _____
