Introductory Fieldwork Feedback

Available Online as a 'writable pdf' on the School of Education website under 'Education Forms'

As part of the preparation to enter the teaching profession, a student in the <i>Introductory Fieldwork</i> experience is placed in an educational setting for approximately 80 hours over the course of the collegiate semester. The student's primary objectives are to observe, interact with students, and assist teachers in various capacities in order to complete course assignments, as well as learn about the roles and responsibilities of people who work in the school. We are asking you to provide feedback on the student's experience, which will impact future training in teacher education. Thank you. 1. Has the student made at least one visit per week (approximately 80 hours total)? Yes	Student	Subject/Grade	District
