As part of the preparation to enter the teaching profession, a student in the *Introductory Fieldwork* experience is placed in an educational setting for approximately 80 hours over the course of the collegiate semester. The student's primary objectives are to observe, interact with students, and assist teachers in various capacities in order to complete course assignments, as well as learn about the roles and responsibilities of people who work in the school. We are asking you to provide feedback on the student's experience, which will impact future training in teacher education. Thank you.

1. Has the student completed a minimum of 80 hours including one full day visitation?

Yes No Do not know

2. Did she/he offer assistance in tutoring one or more students?

Yes No Do not know

3. Does the student convey a professional attitude/appearance?

A great deal Somewhat Unable to judge

4. How has the student offered to be of assistance?

5. In your professional opinion, what are some "pearls of wisdom" you can offer the student?

6. The student will complete an additional 80 hours of fieldwork including more direct teaching next semester. Based on your best judgment, how ready do you feel the student is for this experience?

7. Please check any activity that the student has engaged in during his/her field experience.

The ratings and comments will be pooled by the School of Education to give a solid assessment of student performance in fieldwork. Please note that this evaluation will be shared with the student and that the student may also request a copy. If there are any questions, concerns, or comments, please contact the college instructor or the School of Education at (609) 652-4688. Thank you for your assistance.

Submission Protocol:

Provide a copy of the form to the fieldwork student in a sealed envelope with your signature across the seal for security purposes. This envelope should then be submitted directly to their college fieldwork instructor.
