## GTL Performed Sequencing Reaction Request Form

**Fill out this for only if you want GTL to do your PCR reactions!**

Date: \_\_\_\_\_ Department: \_\_\_\_\_

Name: \_\_\_\_\_ Principle Investigator: \_\_\_\_\_

Telephone Number: \_\_\_\_\_ Account Number & Type: \_\_\_\_\_

E-Mail Address: \_\_\_\_\_ Do you want printouts mailed to you? ☐ Yes ☐ No

Do you want Chromatogram file printouts? ☐ Yes ☐ No Mail Stop: \_\_\_\_\_

|     | GTL Number | Reaction Name | Template Name, Concentration and Type (PCR Product, Plasmid, etc.) | Primer Name, Concentration, and Annealing Temperature |
|-----|------------|---------------|--------------------------------------------------------------------|-------------------------------------------------------|
| 1.  |            |               |                                                                    |                                                       |
| 2.  |            |               |                                                                    |                                                       |
| 3.  |            |               |                                                                    |                                                       |
| 4.  |            |               |                                                                    |                                                       |
| 5.  |            |               |                                                                    |                                                       |
| 6.  |            |               |                                                                    |                                                       |
| 7.  |            |               |                                                                    |                                                       |
| 8.  |            |               |                                                                    |                                                       |
| 9.  |            |               |                                                                    |                                                       |
| 10. |            |               |                                                                    |                                                       |
| 11. |            |               |                                                                    |                                                       |
| 12. |            |               |                                                                    |                                                       |
| 13. |            |               |                                                                    |                                                       |
