

Course Agreement for ATMO 285, 485, & 685: Directed Studies
Department of Atmospheric Sciences, Texas A&M University
Tel: (979) 845-7671; Fax: (979) 862-4466

Student Name _____ UIN _____ Semester _____

Instructor Name _____ Section Number _____ Credit Hours _____

Instructions

1. Students are responsible for arranging a Directed Studies course with the instructor. Students should meet with an instructor and agree upon the amount of credit and the work required.
NOTE: In some cases students may be able to earn 285, 485, or 685 credit for internships. Students interested in NWS or broadcast internships shall use the NWS and Broadcast Internships form instead of this form. Students interested in air quality internships should contact Prof. Don Collins. Other internships may be arranged with Prof. Gunnar Schade.
2. Complete this form. Include a description of the work to be carried out (course requirements). (This form can be downloaded from the Department of Atmospheric Sciences web page.)
3. Student, instructor and host supervisor (if applicable) shall all sign the form. Fax copy is acceptable.
4. Return the form to Missy Mathews and request section be opened.
5. Register for the course.

Course requirements (Requirements shall be listed below or in a separate sheet attached to this agreement.)

I agree to my responsibilities for the course described above.
