

CEDER 2010 Yearbook Submission Form

Literacy Coaching & Response to Intervention Manuscript Submission Guidelines

Presenters at the second annual Literacy Coaching Summit are invited to submit manuscripts based on their presentations for publication in the peer-reviewed *CEDER Yearbook*. The Center for Educational Development, Evaluation and Research (CEDER) is the research and development arm of the College of Education at Texas A&M University-Corpus Christi.

Presenting at the conference does not guarantee publication. To be considered, your manuscript must be previously unpublished. The yearbook follows the same theme as the present year's conference. Adhering to this theme will improve your chances of publication. Authors of selected manuscripts will receive a complimentary copy of the yearbook in which their manuscript appears. **Manuscripts must be received by June 21, 2010.**

Submission Checklist:

- ☐ All text is presented double-spaced in 12 point Times New Roman font, in Microsoft Word (.doc, .docx formats).
- ☐ I have included a complete manuscript, including abstract in 12 point Times New Roman font.
Note that all in-text citations and corresponding references must be in standard APA format (6th Edition). Footnotes and appendices should not appear. Instead, incorporate such material into the text of the article.
- ☐ I have included a total word count at the bottom of the final page of the manuscript.
The limit for manuscripts is 4000 words.
- ☐ I have included one blinded copy of the manuscript.
To prepare this version, only remove author names and affiliations from the bylines. In the body and the references, DO NOT replace references to your own work with "Author." Use only the 3rd person in reference to your own work, (i.e. Do not write "In 2009, I said..." Instead, use "In 2009, Maxfield said..." and so on).
- ☐ I have included a brief biography of each author.
These bios should not exceed 50 words each or be included as part of the total word count for the manuscript.
- ☐ I have included charts, tables and images as separate e-mail attachments.
In the body of the article, indicate roughly where you would like the graphic to be placed. Graphics may be moved or resized at the discretion of the editors. All images must be submitted in .jpg format.
- ☐ I have electronically submitted all manuscripts to Jack.Cassidy@tamucc.edu.
All submissions should conform to the style outlined in the sixth edition of the Publication Manual of the American Psychological Association
