Attachment A

In considering a sign design review, the Planning and Zoning Commission shall make any decision for approval based on specific criteria as listed below.

Please respond to each with regards to the request for a waiver.

- 1) The sign design is reasonable in light of the project's size, location, layout, topography, or other geographic feature.**

- 2) The sign design will not result in any adverse impact on adjacent and nearby properties.**

- 3) The sign design is appropriate for the proposed project and site, and compatible with the established architectural design in the immediate area.**

- 4) Granting the sign design will not confer upon the applicant and property any special privileges that are denied to other properties of the district in which the applicant's property is located.**
