Notes: _____ _____

In consideration of receiving utilities provided by the City, the undersigned agrees to pay all utility charges when due each month for the residence/business located at the above address.

The utility charges include but are not limited to: water (potable and pressurized irrigation), sewer, garbage, late charges, connect and reconnect fees.

The undersigned agrees to pay a \$161.66 deposit upon signing of this Application and Agreement. If the account is current for a period of one fiscal year the deposit will be refunded. If the account is delinquent (not paid by the 10th) any time during the first year, the deposit may not be refunded. Ordinance # 347.

The undersigned understands that if account is delinquent the undersign agrees the City can place a lien on the real property at the service address for the delinquent amount of utility services.

The undersigned agrees to pay all utility charges timely until written notification of a change in ownership of the residence/business at the service address is provided to the City.
