Hi Patrick:

This will take me about 4 hours to research. We charge for any staff time over 15 minutes in 5 minute increments. The estimated cost for me to do this research is \$156.47 and will need to be paid in advance. Once it's paid I will begin and it will probably take me a couple of weeks to complete it. You can send a check or money order to the City Hall address below (Attn: Open Records) or you can call Paula Morgan at 913-742-6253 and pay over the phone with a credit card.

Thanks,
 Stephen

Hello Stephen. Sorry for having to ask for more records, but here is what I need:

Any Ordinances or Resolutions adopted after Ordinance 165 which establish school zones (e.g. any portion of roadway adjoining school property) in general (which would be broad enough to include the strip of 75th St just West of Nieman but East of Quivira) or any Ordinance or Resolution specifically establishing that same area of 75th Street as an official school zone.

Thanks, and feel free to buzz my cell with any questions.

Stephen,

I assume there are no Minutes to accompany the below referenced Ordinances???
If you have Minutes for the meeting where Resolution No. 36 was passed [looks
like it would have been around March 31, 1965), please provide those Minutes
to me.

Thanks.

Hi Patrick:

Unfortunately, many of our original ordinances no longer exist. Here is what I
found. Please let me know if you need anything else.

1) Any idea when the handwritten notations were placed on the Ordinance? Do you have a version of the Ordinance without the handwritten notations?? If yes, please send it.

I do not know when the note was written on the ordinance. I do not have a copy without the handwritten notation.

2) The Ordinance you sent has a handwritten note which appears to indicate Ordinance 165 was repealed. Please send the Ordinance that repealed 165.

I do not have a copy of the ordinance that repealed Ord #165. The index we have from pre-1950 is incomplete.

3) Please send a copy of Ordinance No. 6, which appears to have been amended by Ordinance No. 165.

Attached

(See attached file: Ord.6.pdf)

4) For any Ordinances you send, or have sent to me, please send proofs of publication for same.

I do not have a proof of publication for Ord #6 or 165.

Thanks,
Stephen

Thanks,
Stephen
