

Southwest Center Grazing School

A three-day seminar on management-intensive grazing for
Economic and environmental sustainability at the

University of Missouri - Southwest Research Center

417-466-3102

colee@missouri.edu

Mt. Vernon, Missouri

May 10th, 11th, & 12th, 2016

Topics include:

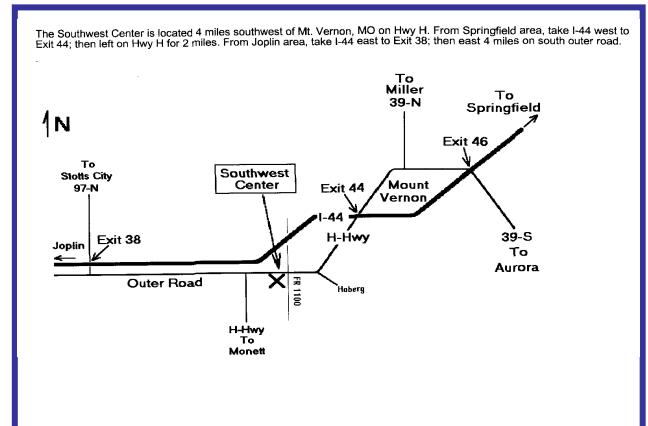

The "Art and Science" of Grazing
Soil Basics and Fertility
Plant Growth
Fencing and Water Systems
Matching Livestock and Forage Resources
Meeting Nutritional Needs of Livestock from pasture
Layout and Design of Grazing Systems
Economics of Management-intensive Grazing
Plus, Outdoor Field Exercises and Tour of Producers' Farms
(*Dress appropriately for weather conditions*)

Please Note: This is the "basic" grazing school that is applicable to all types of livestock. Completion of this school may help qualify you for cost-share programs (check with your local NRCS office for more information).

Registration Information: Maximum enrollment is 45 people. Registration is \$140 per person or **\$225** for couples (**couples share one set of printed materials**). Registration forms and payment must be received no later than April 29th. This fee includes the *Missouri Grazing Handbook*, *Forages and Weeds of Pastures*, *Watering Systems for Serious Graziers*, *Electric Fencing for Serious Graziers* and a grazing stick, as well as lunches and refreshments during breaks. **Classes begin at 8:00am on all days and will end at approx. 4 pm each day.**

The Southwest Center is located 4 miles southwest of Mt. Vernon on Hwy H, and can be easily reached from I-44 via Exit 38 or Exit 44 (see map to the right).

Registration deadline is April, 29, 2016.
