

## PRIVACY WAIVER FORM

In order to protect your privacy, federal law restricts access to personal information about you. Access to basic directory information (name, address, phone number, major, etc.) is generally available to the public unless you request that the Registrar's Office withhold this information (referred to as "privacy hold").

Access to other specific information about you is limited to you, to school officials, and to individuals to whom you give written permission. If you want to give your parents, your spouse, or others access to your financial aid information, please do the following:

1. Complete the following form and submit it to the Financial Aid Office
2. Make sure you do not have a privacy hold with the Registrar's Office
3. Learn your C number (Available upon admission to the college)
4. Give your C number to those you wish to have access.

### Access to you information over the phone:

If you wish to have access to information about your account over the phone even if you don't wish to give access to anyone else, you must know your C number and you **cannot** have a privacy hold. Our office will give **no** information over the phone (including acknowledging a student is even registered with CEU) about students who have a privacy hold.
