Thank you for the opportunity to interview for the Calculus Teacher position you have available. I thoroughly enjoyed learning more about Hudson River High School, and I am impressed with your students' recent championship in the Downstate Calculus Competition.

I welcome the possibility of becoming part of your dedicated Mathematics faculty, and I am confident my teaching experience at Utica City Schools and Master's degree from Utica College have prepared me to succeed in this position.

Please extend my thanks to Ms. Clausen and Mr. Allendale as well. If you have any additional questions, please do not hesitate to contact me. I look forward to hearing from you.

Dear Ms. Basset:

Thank you for taking time out of your busy schedule to meet with me about the "Get Involved in Government Fall Internship Challenge." It was fascinating to learn more about how your office acts as the legislative and administrative backdrop of Utica's City Council.

This opportunity complements my coursework as a Government and Politics major and my interest in participating in Utica's City Council meetings. I also neglected to mention that your need to provide technical support to the City Council is supported by my work experience at Utica College's Integrated Information Technology Services.

If I can answer any additional questions you may have, please call (315) 981-5463. Again, it was a pleasure to meet you.

Sincerely,

EMAILED THANK YOU LETTER:

Dear Ms. Poloczak:

Thank you for setting aside time to meet with me personally. After hearing more about the Event Coordinator position, I am increasingly confident of my ability to contribute fresh and creative marketing ideas to promote your events. As a matter of fact, in response to our discussion on capturing a more youthful audience, it occurred to me that developing a free Facebook account may be the answer you are looking for!

I sincerely hope to have the opportunity to utilize my degree in Public Relations and former internship experience to your clients' benefit. If you should require any additional information or have questions, feel free to call or email.

Thank you,
