

## VILLAGE OF PINEHURST - BIKE AND PEDESTRIAN SURVEY

The **Village of Pinehurst** is in the process of preparing Comprehensive Bicycle and Pedestrian Plans and would like your input! This survey is intended to obtain information on local bicycling and walking habits, conditions, and needs in order to help guide the plans, which will ultimately produce recommendations to improve bicycling and walkability across the Village. We also want to know why you do not ride a bicycle or walk more and what would entice you to do so. Please take a few minutes to complete the following survey, which will help determine priorities in our community. Please limit one survey completed per household. Instructions for returning a hard copy of the survey are provided at the end of the document, or you may complete this survey on-line at [www.vopnc.org](http://www.vopnc.org)
