Questionnaire and Candidate Responses

(For each of the questions that follow circle the number that best describes your perceptions of UC's Education Program as it relates to you. Your written comments/suggestions will be particularly helpful to the Education Department.)

1. How helpful was the Education program in assisting you to develop your critical thinking skills? (this would include, but not be limited to, your ability to identify needs or problems, to recognize and analyze potential solutions, to access appropriate resources, and to carry out necessary actions.)

(very helpful) 5 4 3 2 1 (not helpful)

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

2. How well did the Education Department prepare you in planning for, preparing and presenting instruction and assessing student performance?

(very well) 5 4 3 2 1 (not well)

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

3. How valuable to your training were the early field and practicum experiences?

(very valuable) 5 4 3 2 1 (not valuable)

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

4. How well did the Education Department help you to identify and embrace the professionalism associated with teaching?

(very well) 5 4 3 2 1 **(not well)**

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

5. How helpful was the Education Department in assisting you to develop a commitment to service through teaching?

(very helpful) 5 4 3 2 1 **(not helpful)**

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

6. How well did the Education program prepare you to manage students and develop a positive rapport with them?

(very well) 5 4 3 2 1 **(not well)**

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

7. How well did the Education program prepare you to recognize, positively interact with and accommodate the various types of diversity you may find in the classroom?

(very well) 5 4 3 2 1 **(not well)**

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

8. How well has the Education program helped you to understand the holistic nature of children – that is, the interconnectedness between cognitive, affective, social, physical, and spiritual factors in their lives?

(very well) 5 4 3 2 1 **(not well)**

Please identify specific areas of strength in the program and/or offer suggestions for improvement.

9. Use the reverse side of this form to offer any other comments about the Education Program that you think would be useful.
