2013-2014 Scholarships

1. University of Arizona College of Nursing Scholarship Application

The College of Nursing's Scholarship Application consists of 8 pages of questions related to your academic and personal background to become eligible for awards. To be eligible you must be a College of Nursing student (Pre-Professional Nursing, BSN, MEPN, DNP or PHD).

Required information has a * indicator at the beginning of the question.

Optional questions have an (OPTIONAL) indicator prior to each question.

All answers and attempts are recorded. Your final attempt at the scholarship application will be the one utilized as your final scholarship application. Please try to only fill out the application one time to aid in reduction of processing timelines.

Students are encouraged to fill out all information, even optional items or non-required questions, as all questions help provide information to the College for assigning the best match for awards.

PRIVACY: All information collected via this application is obtained via a secure connection. The information collected in this application will be used to match students for awards, to inform donors of the recipients of their awards, and for grant reporting so the College may apply for additional student funding through various granting agencies. All information will be kept in a secure location and kept private.

6. College of Nursing Scholarship Application: Academic Interests

The page outlines different areas of academic interests that match with donor awards. You will be required to write 100 words for each area you identify so you can be matched with the appropriate scholarship or award program.

This information is used to match students to specific donor scholarships. Please be clear and concise as to why you should receive an award dedicated to someone with that interest area. Preference is given to those who are pursuing a career in that area, who work/have worked in that area, are pursuing a degree or certification in that area, and/or have specific experience in that area of interest.

20. I intend to work in: (Check all that apply)

Cancer Research and similar health problems

Oncology

Labor and Delivery

Self Care Research

Acute Care

Hospice, Palliative Care and Home Care

Research in Geriatric Nursing

Community Health

Rural Health

Emergency Room Nursing

Pediatric

21. For each checked item in the prior question, please describe your academic interest area(s) each in 100 words or less. (If you check off 4 areas, you should be writing four 100-word quick essays on your interest area. Please start each section with the topic name, for example: "Pediatric: I am interested in Peds because..." and include a blank line between each topic area.)

22. If you received a College of Nursing Scholarship or Award last year (2012-2013) please indicate the award below.

23. (OPTIONAL) If you received additional award(s), please identify below.

8. Final Items

You are not required to enter any information on this page, however you are welcome to comment or describe any personal activities, interest, work experiences, internships, volunteering, background information, or other characteristics that might be useful in matching you with an award.

We recommend including any relevant information on your educational background, your career interests, research interests, personal success information, major life events, information on obstacles you have overcome, work experience, and anything else you feel is important to a donor. These essays will be used to match students to awards as well as an information base we can provide the donor concerning your background so they know why they would be supporting you.

29. (OPTIONAL) Is there any additional information you would like us to know to help us place you with a scholarship or donor award?
