

# TEACH Grant Application

2012-2013

The Teacher Education Assistance for College and Higher Education (TEACH) Grant is awarded by UA to students who are completing, or intend to complete, coursework to begin a career in teaching and who agree to serve for a minimum of four years as a full-time, highly-qualified, high-need field teacher in a low-income school.

If students awarded the TEACH Grant do not complete the four years of qualified teaching service within eight years of completing the course of study for which the TEACH Grant was received, or otherwise fail to meet any other requirement of the TEACH Grant, the Grant will convert into a Federal Direct Unsubsidized Stafford Loan, with interest accrued and capitalized from the date of original disbursement.

In order to qualify you must:

- Complete a 2012-2013 Free Application for Federal Student Aid (FASFA) at <http://www.fafsa.ed.gov/>
- Be enrolled at UA as a degree seeking student
- Maintain a 3.25 cumulative GPA while enrolled at UA
- Take coursework necessary to complete teacher certification in a high-need field (you do not have to be admitted to the College of Education to qualify for the TEACH Grant)
- Complete TEACH Grant Entrance Counseling from the Department of Education
- Complete an Agreement to Serve and Promise to Pay from the Department of Education
- Serve as a full-time teacher in a low-income school, as a highly-qualified teacher, and in a high-need field (as listed in the Nationwide List for the State in which you will be teaching) for the majority of classes taught for at least four years within eight calendar years of leaving the program for which you received the TEACH Grant
- Write to the Secretary of Education (within 120 days of completing or otherwise leaving the program of study for which the TEACH Grant was received) confirming that you are employed as a full-time teacher in accordance with the terms of the TEACH Grant, or you are not yet employed as a full-time teacher but intend to meet the terms of the TEACH Grant service agreement
- Respond promptly to any requests for information or documentation from the U.S. Department of Education
- Submit upon completion of each year of teaching service, documentation of the service in the form of a certification by a chief administrative officer of the school
- Comply with all other terms, conditions, and requirements that the Secretary of Education determines to be necessary

**If you fail to meet any of these terms the TEACH Grant funds you receive will convert into a Federal Direct Unsubsidized loan, with interest accrued and capitalized from the date of original disbursement. Once this grant is converted to a loan, it cannot be converted back to a grant.**
