# GOLF NEWS

Howdy from the Golf Association.

New Officers were elected during our last meeting of the year. David Doshier – President , Dean Logan – Vice President , Marianne Doshier - Secretary , Sherrian Moore – Treasurer and Harold Bradford - Tournament Director . Also at the meeting we voted to continue giving Jeff Baker and his maintenance crew their usual year-end bonuses. They continue doing a great job with the golf course. We also had a visit from Shelly Lindley; she is in charge of the Pharmacy at the new Wal-Mart at 34th and Osage. They are going to donate 10 cases of water for every Golf Tournament we have this year ! Neato. Our next meeting is scheduled for March 9th. We will set the the tournament schedule up and talk about what improvements we can do to the golf course.

We are also planning a Valentines party on Saturday, Feb 14th, more information on this event coming soon. By the time this letter hits the newsstands, we should have a new tree behind #13 green. This will give you a target to hit to when you can't see the green from the fairway.

If anybody has any questions or concerns, please give me or David a call. David – 683-4494 or Dean 670-7745.

Thanks,

Dean Logan “Vice President”

## ***FICTION***

**HOPE TO DIE**, by James Patterson. Detective Alex Cross is being stalked by a psychotic genius, forced to play the deadliest game of his career. With his family ripped away from him by a madman, what is he willing to sacrifice to save the ones he loves? 22nd in the Alex Cross series.

**BURIAL RITES**, by Hannah Kent. In 1829 Iceland, a young servant woman, Agnes Magnúsdóttir, is accused of murdering her former master and is sent to an isolated farm to await execution. Based on the true story of Iceland's last execution, in a small valley covered in hundreds of small hills. This book is my top pick in new fiction.

**DAYS OF RAGE**, by Brad Taylor. The Task force is used to being the hunter, but this time they're the hunted. Intent on embroiling the US in a quagmire that will sap its economy and drain its legitimacy, Russia passes a potential weapon of mass destruction to Boko Haram, an extreme Islamic sect in Nigeria. A relic of the Cold War, the Russian FSB believes the weapon has deteriorated and is no longer effective, but they are wrong. Boko Haram has the means for mass destruction, which will be set loose upon a multitude of unsuspecting innocents on one of the world's grandest stages.

**DEATH OF A DOG WHISPERER**, by Laurien Berenson. Its summer in Connecticut and Melanie's life has become an endless string of dog shows, soccer camp, and the antics of her energetic toddler. She hardly has time to pay much attention to her Aunt Peg's new protégé, Nick Walden, a self-proclaimed "dog whisperer" with an uncanny gift for decoding dog-speak. The well-heeled dog owners of Fairfield County are lapping up his alleged talents, anxious to discover exactly what their pampered pets are thinking--that is until the pooches start spilling their secrets.

**BIG LITTLE LIES**, Liane Moriarty. The annual school Trivia Night has ended in a shocking riot, with one parent dead. As police investigate, it begins to look like the death is not a tragic accident, but murder. What really goes on behind closed suburban doors – domestic violence and bullying in a whole new light.

**ALL THE LIGHT WE CANNOT SEE**, by Anthony Doerr. Marie, age 12, and her father flee occupied Paris for her great-uncle's house in Saint-Malo. Meanwhile, in a German mining town, the orphan Werner, an expert at building and fixing radios, goes on special assignment to track the Resistance. Eventually, the stories of these two converge.

case, which will force him to hunt down the most formidable, brilliant prey he has ever tracked: his own brother. Third in the series.

### ***YOUNG ADULT***

**MICHAEL VEY, THE PRISONER OF CELL 25**, by Richard Paul Evans. Michael Vey is an adventure story about hope, loyalty, courage and love for his mother. With strong, likeable characters, genuinely realistic and frightening villains and "high energy" tension. (Book 1)

**MICHAEL VEY, RISE OF THE ELGEN**, by Richard Paul Evans. Michael was born with special electrical powers—and he's not the only one. His friend Taylor has them too, and so do other kids around the world. With Michael's friend Ostin, a techno-genius, they form the Electroclan, an alliance meant to protect them from a powerful group, the growing Order of Elgen, who are out to destroy them. The leader of the Elgen, Dr. Hatch, has kidnapped Michael's mother, and time is running out. (Book 2)

**MICHAEL VEY, BATTLE OF THE AMPERE**, by Richard Paul Evans. Michael and his friends must continue to fight the Elgen and try to disrupt their plans to rule the world. (Book 3)

**LAUGHING AT MY NIGHTMARE**, by Shane Burcaw. Burcaw is like any other 21-year-old guy. He loves sports, video games, and bathroom humor; enjoys hanging out with his friends; and has had several girlfriends. The only thing that makes him different is that he has done all of this while in a wheelchair. Burcaw was born with a rare neuromuscular disease known as spinal muscular atrophy (SMA), which hinders his muscles' ability to grow and repair themselves. As a result of the disease, Burcaw depends on his friends and family when it comes to completing everyday tasks. Throughout, he shares many humorous and touching stories about growing up and living with his disease.

### ***PRIMARY***

**THE THREE NINJA PIGS**, by Corey Rosen Schwartz.

Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons---he'll make mincemeat out of that wolf! His brother learns a little jujitsu--he'll chop that guy to pieces! But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their sister has been training every day to master some serious karate moves that save the day. KIYA!

**FROZEN**, by Disney. Special collection junior novelization of Frozen.

**FROZEN**, by Disney. Read-Along story book and cd.

# LT LIONS CLUB

January, 2015

*"serving our community"*

Happy New Year.

We have placed \$23,000 worth of crappie, large-mouth bass, and channel catfish (31,000 fish). The best we can tell, the stocked fish are surviving and growing.

Good news! Our stocked bass and channel catfish are being caught around the lake. Fishing for catfish (catch & release) has been good. We have been catching 12" - 17" fish. The biggest one was 17", 1.3 lbs. Our stocked fish are growing and will be spawning soon, hopefully. We have one more delivery of crappie due next month.

Please do not keep any bass or catfish as we want them to mature enough to reproduce.

Special thanks to everyone who donated to the fish project 2 yrs. ago. We would also like to thank the Corp for their donation this month of \$1500. Our fish project has been a success.

We are currently collecting checks for our US & Texas flag service. Please ASAP send in your check or drop it by the LT Office for flags. A flag form was included in an email that was sent to you by the LT Office regarding the car/vehicle/boat sticker for 2015. Another flag form is included in this January newsletter.

Our next fundraiser will be our Chili Supper on Sunday February 22.

Once we raise more money, we plan improvements on the children's park.

# FOR THE BOARD

Chris and Charla Rose have lived at the lake since 2008. They have four grown children and one grandson. Chris began his career in law enforcement at an early age with the Potter County Sheriff's Department and then as a Patrol Deputy for Randall County. From 2001 to 2006, Chris worked in Security at the Pantex facility. Chris is currently a Federal Agent with the Department of Energy.

Chris was born and raised in Amarillo and attended Caprock High School, and Amarillo College. Chris enjoys the satisfaction that comes from helping others. Chris recently joined the Lake Tanglewood Fire Department, and is interested in continuing to help make Lake Tanglewood the best place to live in the Amarillo area.

Dear Lake Tanglewood Members,

I would like your vote! I am running for one of the open positions on the LSIOT/Lake Tanglewood Board of Directors. Pam and I have enjoyed our past 8 ½ years at the lake. I previously served as President of the LSIOT Board of Directors as well as serving on numerous Board Committees. I am very active member of the Southwest AMBUCS and the Amarillo Executive Association.

It would be my pleasure to serve the Lake Tanglewood Community again.

Peter Gleason

---

Dear Lake Tanglewood Members,

I am running for the board this year and I am asking for your vote. Carol and I moved here in 2008 as part-timers but soon realized we loved it here and moved in permanently. I love the community atmosphere that the lake has. I am active in the Lions Club, the Lake Tanglewood Church, and many other areas that help the lake operate. I love to pick up my walking stick and hike around the lake, what a wonderful place to explore.

My background is working with people in a sales position for thirty years as a State Farm Agent running my own agency from which I retired in 2013.

I want to be a board member so that I can continue to maintain a family and friendly community that we all will enjoy living in.

Mike Thomas  
529 N Shore  
331-4424/679-5210

To the Lake Tanglewood Inc. owners and members,

I have placed my name on the ballot to be considered as a director of the board to Lake Tanglewood, Inc. I understand and take very seriously the responsibilities involved in being on the board if elected.

My wife Rhonda and I moved officially to the Lake in November of 2013. We have been members since 2011. The only regret that we have is that we did not become a member of this community years ago. We have been married for twenty-five years and have two children. Our daughter Aaryn is twenty-four years old and our son Garrett is twenty-three years old. We have lived in Amarillo since 1990. We officially opened Panhandle Greenhouses in January of 1991. Aaryn was 10 months old and Rhonda was pregnant with Garrett when we decided that we wanted to pursue our own business. As you can imagine, the first few years were somewhat difficult. We had little capital to work with and two babies to care for. Many of you have been customers from the beginning and remember the kids at the greenhouse in strollers and swings. You are the reason for our success this last twenty-four years, and we recognize that we could not have been successful without our generous customers. I consider Panhandle Greenhouses as the definition of family owned businesses. Aaryn is now a part-owner in Panhandle Greenhouses, and Garrett is working here for the near future until he completes his Master's program in English.

I currently serve as a director on the board of the Better Business Bureau of Amarillo. This has been a very rewarding experience for me. The Better Business Bureau helps create an ethical marketplace where buyers and sellers trust each other, and I take that very seriously as being a part of this board as well as practicing this in our own business. I served on a committee recently that helped organize the 75<sup>th</sup> anniversary of the BBB of Amarillo, and this event was a huge success.

If elected to the board of Lake Tanglewood Inc., I will do my best to protect the investment that we all have living at the lake. I think my business experience will be of great value to the members of Lake Tanglewood, and I will do my best to keep this a community that we can all enjoy.

Thank you for considering me for the board,

James T. Cathey
