**MERRY CHRISTMAS
AND
HAPPY NEW YEAR**

I hope all of you have a great Holiday Season. Please share this time of year with family and friends and enjoy the company of loved ones.

By the time you receive this letter, Carolyn Garrison, will have moved to another employment opportunity to begin a new chapter in her life. Carolyn wanted all of you to know how much she enjoyed her many years at Lake Tanglewood, seeing families move here, adjust to lake life and watching the children grow. There were many activities she was involved with and the memories of Lake Tanglewood go on and on. Carolyn's words, "THANKS TO A COMMUNITY WHO WAS AN INTRICATE PART OF MY LIFE AND I THANK YOU!! I WILL MISS ALL OF YOU."

Lake Tanglewood would like to thank Carolyn for her many years of service to our community and wish her the best in this new adventure.

THE ANNUAL MEETING WILL BE HELD AT THE COMMUNITY CENTER ON JANUARY 30, 2014.

There are 2 board positions available and we have a great slate of candidates running for these positions. All of you will receive ballots for the election, we encourage you to vote for the candidates you think will best represent Lake Tanglewood.

The Board is considering hiring a restaurant manager to replace Carolyn. If you know of someone who might be interested, please let a Board member or Sherry in the office know. We are working on a Job Description and a salary range at this time. Restaurant management experience is essential.

It has been a great year at the lake and I look forward to the coming year with anticipation of it being even better. Thanks to all the staff, employees, and members of the community who have given their time and efforts to make this such a great place to live.

Merry Christmas & Happy New Year.

He has lived in Borger for 30 years as an Edward Jones Financial Advisor. He has been very active in civic activities including Rotary, Chamber of Commerce, Frank Phillips Advisory board, etc., etc.! Patrice grew up in Hansford County, TX. Her families are long term residence of Hansford with her great grandparents being the first settlers there. She has a BS in nursing and two Masters from West Texas A&M. She has experience in SICU, Psychiatric, and Management and has taught almost all areas during her time with AC, OSU/OPSU, and WTAMU. She is now VERY happy to just be a wife/daughter/mother/grandmother! Together they have 5 children and in May they will have a total of 14 GRANDS. A quote from Patrice: "If you have a lot of time...just ask us about our children and GRANDS!" They plan to completely retire and live at the lake full-time in about 7 years.

Naomi & Raymond Brown 135 South Shore

Naomi & Raymond are certainly not "new" to the lake - they just like to move! They did a total renovation to 135 South Shore. Naomi & Raymond have done a great job bringing new life to 135 South Shore. They will be finishing up the lake side this spring with new yard and lake front improvements!

Some Thoughts to Ponder for a Happy New Year --- 2014!

1. Embrace the New Year with not just a new look but also with a new and positive approach to make things simple in the year ahead.
2. There are some important lessons to be learnt from the past so whether you win or lose, it is the learning of the lesson that matters at the end of each year.
3. Look forward to the New Year with hope and confidence and you are sure to be blessed with great things.
4. Make every moment worth remembering so that when you grow old and look back you can enjoy it the second time.
5. Hope you are blessed with courage to fight against injustice and stand up for your values in the New Year

VOTE

My name is Charles Aycock and I am a candidate for Lake Tanglewood Board of Directors. My wife Margaret and I have lived at the Lake since February, 2005. We are members of Lake Tanglewood Community Church where Margaret serves as organist. We have a son and daughter and one grandson. I am a member of Lions, have been a Triathlon volunteer, and served on the marina planning committee.

I am a native of Tulia, graduated from Texas Tech with a degree in finance, and earned my law degree from the University of Texas School of Law. I worked as an assistant to the Texas Attorney General before moving to Farwell where I was in private law practice for 35 years and served 23 years as Parmer County Attorney. I was a member of the school board and of the hospital district board, served as Boy Scoutmaster, farmed, and fed and raised cattle.

I moved to Randall County in 2004 when the Governor appointed me to the Board of Pardons and Paroles. I was supervisor of the Amarillo office which was responsible for handling parole decisions for more than 25,000 inmates in 23 State Prisons. I was one of seven Parole Board Members responsible for making recommendations to the Governor in death penalty cases. I served on the Board of Pardons and Paroles until my retirement in June, 2011.

I have enjoyed living at Lake Tanglewood and feel that I could contribute to its continued progress by serving on the Board of Directors. I would appreciate your vote.

Thank you,
Charles Aycock

My name is Annette Watson. I have lived in Lake Tanglewood for 34 years and can't imagine living anywhere else. I am married to Randy Watson, who has served in the past on the Lake Tanglewood Board and City Council. In previous years, I have assisted with the startup of the community park, I was a volunteer fire fighter for approximately ten years, and I helped lead the Lake Tanglewood Church Youth Group for about two years. I am currently serving on the Lake Tanglewood Library Board. To further my community involvement, I would like to be elected to a position on the Lake Tanglewood Board.

To the Lake Tanglewood, Inc. owners and members:

I have agreed to have my name placed in nomination for the office of Director, Lake Tanglewood, Inc.

I understand the duties and responsibilities of serving as a Director and, if elected, I agree to serve to the best of my ability.

My wife, J'Melle, and I have lived at the Lake for the last 9½ years and we have had an association with the Lake since the 1960's, as both of our parents lived at the Lake during some portion of that time. We enjoy the amenities and the beauty of this community and value the wonderful friends that we have here. Every owner and member has a tremendous investment in this property and we must all work diligently to protect and maintain the community and each of the benefits that are provided.

As a part of my professional background, I have had the privilege and pleasure of managing and running several banks around West Texas over a 32 year period. I have also been involved in agriculture my entire life. My wife and I have a ranch and run a mother cow operation when there is enough rain to maintain the land and grasses necessary to protect the land. We are members of the Washington Avenue Christian Church and believe that we must profess and stand up for our Lord and Savior and All that He has given for us.

Over the years I have also served on many non-profit boards and charitable organizations boards in the communities where we have lived. Each has been an opportunity to serve and work with and for others. Each experience has had its own challenges and accomplishments for the people it was serving. I count each endeavor as a positive experience from which I have learned many things.

I attended and graduated from the Canyon Public School system and West Texas A&M University. I served two years in the United States Army as a Medic and eleven months in Viet Nam. I respect our Founding Fathers and the Country that they gave us.

If you have any questions before the annual meeting and voting, I would be most happy to answer your questions.

Thank you for your consideration and your vote, if you decide to vote for me.

Gary Fletcher

Lake Tangle wood Members

First I would like to thank you for the chance to service the lake as a member of the board.

I brought my first property in 1975 and in 1980 became a full time lake person.

My back ground is diverse from Pantex, construction, insurance sales and adjusting too ranching. Most of my adult life was spent as a Storm Adjuster, working 48 of the 50 states and recruited a group of adjuster to work with me. Dealing with people in adverse conditions give you a better perspective on how to hand difficulties and deal with people, and complete a project within set rules and guide lines.

The Good Lord place a wonderful woman in my path and granted me the honor of marring, Barbara.

Shortly there after I retired from adjusting to help Barbara run the day to day operation of the Ranch when the opportunity to sell the ranch presented itself, taking full advantage of it we both retired.

Now that life has given me a lot of experience in a lot of areas I would like have the opportunity to giving back a small portion of what the lake has given me during my life.

I wish to thank you in advance for your vote
John and Barbara Webb

My wife, Nita, and I moved to the lake in June of 2002. In retrospect, we should have moved down here sooner. The lake, the community and, most importantly, the friends we have made are truly a blessing to us. For those reasons, I am once again running for the Board of LSIOT.

I have a BBA and a MBA from the University of Texas at Austin and have been involved in the oil and gas business since graduating. Additionally, I have experience in; merger and acquisition advisory work for KPMG, real estate development and private equity transactions.

Since 1980, I have served on more than 30 boards and commissions in the public, private and non-profit sectors. A sample of those include: Amarillo Hospital District Board of Managers, Texas Youth Commission (post receivership), Texas State Board of Examiners of Psychologists, Texas Ethics Commission, Cal Farley's Boys Ranch and its foundation, Harrington Cancer Center and the Red River Authority of Texas. I have also served on the boards of; a multi-bank holding company, an environmental remediation firm, an oil & gas exploration and production business and a medium run printing company.

I was on the LSIOT board from 2007 to 2010 and believe that experience, combined with the above, will help me become a productive member of our board. Accordingly, I am asking for your support and your vote. Serving our community again would be an honor.

Thank you,

Wales H. Madden III

My name is Daron Boland and I am running for one of the open Lake Tanglewood Board Member positions. I thought I would give a little information about myself.

I am a lifelong resident of Amarillo and have lived full-time at Lake Tanglewood for almost 10 years. I graduated from West Texas A&M in 1988 and shortly thereafter got into the insurance business. Today, I own an Allstate Insurance agency in Amarillo.

I have been married to my wife, Beth for 23 years and we have 3 children who have all lived with us at the lake. We enjoy all aspects of living at the lake and I would be proud to serve on the board. My goal will be to make decisions that improve the quality of living at the lake as well as help improve our property values.

If you have any questions, I can be reached at 670-5991.
