

Vienna Police Department- Business Community Emergency Contact Information

The Town of Vienna Police Department maintains an emergency contact file for businesses in town. This file is used when the police department needs to contact an owner or designated employee for a situation involving the business.

Please take a moment and complete this form. Please also remember to update the information you provide should any changes be made regarding the listed individuals. This might include changes in keyholder information, managers, or employee statuses.

Please provide contact information for at least two individuals that can be contacted in the event of a situation involving your business. All information will be kept confidential within the police department.

Lastly, if you would like to have an officer contact you and set up a time to inspect your business for safety and security purposes, please indicate that below as well.

Should you need further assistance or have questions please contact MPO Bill Murray at wmurray@viennava.gov or 703-255-6396.

Thank you for your cooperation.
