

We would like to invite you to be an exhibitor at the Public Employees Safety Council of AL (PESCA)'s 12th Annual Safety Conference. For the past eleven years, this conference has provided valuable training and networking opportunities for safety, loss control, occupational health, risk management professionals throughout the state of Alabama. Even with the economic downturn, we expect this year to be bigger and better than ever.

Safety is always IMPORTANT!

The Conference will be held Wednesday, November 14, 2012 at the Alabama Power Facility in Clanton. You will have the opportunity to exhibit your products and services to the people that use them the most. The sponsors of this conference are PESCA and the Deep South Center for Occupational Health & Safety (an Education & Research Center sponsored by the National Institute for Occupational Safety & Health).

For a low registration fee of only \$100, you will be provided a table for exhibiting, two chairs, meals and refreshments for one attendee, handouts and an opportunity to meet decision-makers from municipalities across Alabama. We are also looking for exhibitors who are willing to donate door prizes to be given out in drawings held throughout the day.

We look forward to seeing you at this year's conference.

Sincerely,

Trampas Grougler

Trampas Grougler, President, PESCA
