## TEMPORARY EVENTS / ACTIVITIES PLANNING CHECKLIST

This general checklist is to assist in determining whether certain City business licenses and permits may be required for your proposed temporary event or activity. Please list any areas that may not be specifically addressed under the Miscellaneous Information area as there are several regulations relative to the enforcement of Building, Zoning, Health, Fire, Police and safety concerns that may not be mentioned in this general checklist.

Return this form to the City Clerk's Office either in person or by mail. Following review of the returned checklist, any license/permit applications that may be required will be forwarded to you as soon as possible. Keep in mind that certain licenses/permits require a minimum of two (2) working days notice to process while others may have a longer time frame. Larger, more extensive community events may require up to 3 months advance notice for planning and coordination purposes.
