REQUIRED IMMUNIZATION DATA
The immunization policy is designed to protect the health of all students. **Students who fail to comply will have a HOLD placed on class registration and/or will be denied class attendance pending satisfactory completion of required data.**
A licensed health care provider must certify immunization data; home records or self-reports are unacceptable. Copies of school or military immunization records will be accepted with appropriate dates and signatures indicated. All records must be in English.

A. MMR (MEASLES/MUMPS/RUBELLA): All students born after Dec. 31, 1956 must provide proof of two doses administered on or after the first birthday. The second dose of MMR must be administered 30 days or more after the first dose. Alternately, students may provide copies of laboratory reports indicating positive antibody titers for these diseases. Students born prior to Dec. 31, 1956 are considered to have natural immunity.
