Please note: The Direct Parent PLUS loan has not been included on this worksheet because it is considered by all colleges as a way to manage your bill rather than a source of student financial aid. Any family interested in applying for this parent loan may do so, regardless of whether or not the loan is listed as part of the financial aid notification.

*Books, supplies, travel costs and other personal expenses have not been included on this worksheet and vary from school to school. Illinois College estimates books and supplies to average \$900 per year.
