

Request for Waiver of Noncustodial PROFILE

Financial information is required from both the custodial parent (the parent who provides more than half of your support) and the noncustodial parent to determine a student's financial aid award. By completing this form, you are petitioning for an exception to the requirement of collecting financial information from your noncustodial parent. Please note that while we wish to be sensitive to potentially difficult situations, we need sufficient detail to enable us to make a determination of your eligibility for a waiver of the Noncustodial PROFILE requirement.

Please type or write in ink. DO NOT use pencil.
