CALIFORNIA STUDENT AID COMMISSION P.O. Box 419029, Rancho Cordova, CA 95741-9029 ASSUMPTION PROGRAM OF LOANS FOR EDUCATION (APLE) LOAN ASSUMPTION AGREEMENT Academic Year 2010-11

NAME:	
TEACHING SERVICE AREA:	

I, the undersigned APLE participant, understand and agree to the following:

SECTION I - COURSEWORK REQUIREMENTS

l must

- Maintain enrollment in an approved eligible institution and maintain satisfactory progress in either an academic program leading to a baccalaureate degree or a program of professional teacher preparation that has been approved by the Commission on Teacher Credentialing (CTC); and
- Maintain a minimum of half-time enrollment in baccalaureate or credential coursework per academic term, as defined by my institution; and
- Complete coursework and training necessary to obtain an initial teaching credential other than an emergency credential which requires receipt of a baccalaureate degree and completion of a CTC approved program of professional teacher preparation which includes a student teaching requirement and authorizes service for kindergarten through 12th grade.

NOTE: My initial teaching credential is a preliminary or clear multiple or single subject teaching credential unless I have agreed to provide teaching service in reading or special education. If I have agreed to provide teaching service in special education or reading, my initial teaching credential is a specialist credential in special education or in reading.

SECTION II - EDUCATIONAL LOAN OBLIGATION

I must:

- Report all outstanding educational loans to the California Student Aid Commission (Commission) prior to receiving payment.
- Comply with all student loan repayment obligations and continue
 making scheduled payments on student loan(s) until notified by my
 lender that the loan is paid in full. I understand that an APLE loan
 assumption payment will not cancel or replace any scheduled
 student loan payments.
- Provide written notification to the Commission within 10 days of any change in the status of my student loans, including notice of default and the sale, transfer or consolidation of my student loans to another lender or servicer.
- 4. Be free of any obligation to repay any state or federal educational grant and not be in default on any student loan.

SECTION III - LOAN ASSUMPTION BENEFITS (CONT.)

- Loans eligible for loan assumption payments are educational loans under the Federal Family Education Loan Program (20 U.S.C. Section 1071, et seq.) and any educational loan approved by the Commission.
- 5. The Employment and Loan Verification Forms must be forwarded to the appropriate officials for completion and submission to the Commission. The forms must be returned by the deadline to qualify for benefits. If I fail to meet a deadline, I may be withdrawn from the program. I agree to allow the Commission to change my teaching service area, if it is determined that it is necessary to make me eligible for a benefit loan assumption payment on my eligible education loan.
- Educational loans obtained for coursework other than a baccalaureate degree and an initial teaching credential are not eligible for assumption under the APLE.
- Depending on my June 30th outstanding loan balance each year and the state budget*, the Commission will issue loan assumption payments directly to lender(s)/servicer(s) as follows:
- Up to \$2,000** after completing my first school year of eligible full-time, or on a part-time basis for the equivalent teaching service.
