

## SPONSORSHIP LETTER

Please have the appropriate officer in your organization submit a sponsorship letter directly to the Managing Director of the Washington University – Fudan University EMBA Program. This letter confirms that your sponsoring organization understands that you will need to be absent from work in order to attend the monthly class meetings for the program (see the attached schedule), and that you and your firm have reached an agreement on financial support. Your company understands that the two-week residency at the end of the program in St. Louis is mandatory. If you are in a private practice, or if you are the sole owner/operator of your business, you may submit an additional letter of recommendation in place of the sponsorship letter.
