

# Statement of Informed Consent

Educational Technology Services (ETS) is conducting feedback sessions on varied aspects of the CalCentral project. This information will be used to improve the design and development of CalCentral.

This research poses no risks to you other than those normally encountered in daily life. All of the information from your session will be kept confidential. After the research is completed, we may save the notes for future use by ourselves or others on the project team, but your name will not be included. In addition to helping to improve the user experience of CalCentral, we offer all participants an incentive worth \$5.

Your participation in this research is voluntary, and you are free to refuse to participate or quit the session at any time. Whether or not you choose to participate will have no bearing in relation to your standing in any department of the University of California.

If you have questions about the research, you may contact any member of the project team:
