

## Support our Center as a Business Associate Member!

The benefits are twofold:

**Your business** receives exposure to the fastest growing sector of the community – mature adults! Our monthly newsletter reaches more than 2,000 households in the greater Rancho Bernardo area and is available year-round on our website, which averages 5,000 unique visitors.

**The Center** receives your support to continue and expand its programs that educate and enhance the health of the community. We are a non-profit group that receives no government funding, so your membership is a vital part of income.
