If you would like your child to take part in any of the music peripatetic programmes please complete the table above and enclose a cheque for the full first term's payment.

The school is required to pay the Wirral Schools Music Service the full term's (10 weeks) in advance, so we are unable to reserve places without payment. We are also unable to offer refunds or make up lessons for those lessons missed.

Lessons are provided during the school day, times may vary so as to minimise disruption to the same lessons each week.

Students must always make up any work missed through any music lesson. We encourage all students who take part in peripatetic lessons to take part in school performances, this way he/she will gain more practice and experience of playing with others.

Requests for lessons along with a cheque must be returned to Lynne Williams in school no later than **Thursday 31st May 2012.**
