May marks the beginning of the end.

No, I'm not talking about the apocalypse. I'm talking about the parish's program year. Most parishes run on a schedule which is called a program year, which runs from Labor Day through Memorial Day, or early into June. As we enter into the summertime, when many of you go away on vacation, things slow down a bit around here.

Theoretically.

In fact, we here at Epiphany are usually pretty busy during the summer, with worship, Adult Forums, youth mission trip, Summer Vacation Bible School, and such. We do this despite the fact that our Sunday numbers are usually lower, because of the aforementioned vacations (more on that later.)

A couple of particularly exciting things are going on around here this summer. We are glad to once again welcome a priest-in-training, the wonderful **Dorothy White**. In July, we will go to New York with the youth to serve in soup kitchens, food pantries, homeless shelters, and senior centers. In August, we are inaugurating a great new summer vacation camp in partnership with musician Martha Burford – a camp centered on music as a way of connecting with and praising God. We will not only invite children from our parish and our neighborhood, we will also invite children from less privileged neighborhoods who might not otherwise have the chance to participate in such a program, and we will be graced with a number of gifted musicians who are helping with the event. Jessica Sarvay-Isemann will be our program coordinator (bravo – she will be seven months pregnant then, so she will need your help – say yes when she asks!) In between, I'll be taking two classes that will complete the coursework for my doctorate.

Lots of activity, right? Lots of good things! We are also making a change in our worship and Sunday Christian Formation activities this summer. We recognize that we have fewer folks in the pews, and we need to give our dedicated Sunday School teachers a break, so here's what we are going to do. Like many churches in the area, **we will go to a single service on Sundays, beginning on June 15<sup>th</sup>. It will be at 9:30 a.m.** After the service we will have an hour of intergenerational Christian education – a chance for all of us to have fun together learning and playing and growing in our faith. There will be a continental brunch – something light to keep us going after church while we share some time together. I'd love to see some volunteers to lead each Sunday's activities – I'll have curriculum ideas for you and I'm sure you can find willing helpers of all ages.

So the summertime will mean more of some stuff and a little less of others, and it will be a great adventure. Plan on celebrating all the best of Epiphany in this month of May and in the summer months to come, and be blessed!

Peace

Mary+

## Vestry Highlights

The Vestry met on April 9<sup>th</sup> at 6:30 p.m. We began with a Bible study and general check-in.

We noted that finances are a little bit tight but within the range of manageability.

We heard that the installation for the new air-conditioning system has been completed and that we will look at replacing the carpet in the sanctuary and shortening some of the pews to provide wheelchair spaces.

We approved of a shift this summer to a single service, with summertime intergenerational activities after the church service.

We also discussed fees for use of the church and the possibility of a two-tiered fee structure for weddings (members versus non-members).

We talked about offering some of the daytime activities, like Book Group and Bible Study, in the evening as well, for those who work during the day.

All are looking forward to Youth Education Sunday on May 18<sup>th</sup>.

The meeting adjourned with prayer at 8:15 pm. The next Vestry meeting is on Tuesday, May 14<sup>th</sup> at 6:30 pm in the Parlor. As always, all are welcome to come and observe.

Faithfully,

Sam Craver, Register

### *Senior Warden's Report ~ Ann Henderson*

On April 5<sup>th</sup> the Vestry packed and delivered lunches for the Outreach Program. It was a beautiful day and with five of us working together it went quickly and was a lot of fun. If you have not had a chance to help with the Outreach Program, see Tillie Freeze for information and ideas on where help is needed. It is not too early to think about helping with CARITAS, July 19—25.

The vestry met on April 8<sup>th</sup>. The new AC unit was ordered and preparations were finalized to have the unit in place by Palm Sunday. Happily we can report that the work was completed ahead of schedule and we will be able to keep our cool during the hot summer months.

We have finished the busy season in the church with Palm Sunday, Holy Week and Easter behind us. The weather turned warm just in time and though I was with my family and away Easter Sunday, the Palm Sunday service was a wonderful service and chance to reflect. As the gospel is read each year I always feel a kindred spirit to John. If I had been with Jesus at the time of the crucifixion would I have acknowledged knowing Jesus or like John denied being a follower? I like to think I would have stood up and said "yes, I know him" but then I think that I would go with the crowd. How often have I told someone about my faith and then done something that does not reflect Jesus in me? Too often I am ashamed to say. All I have to do is be on a long road trip, tired and ready to be home for the devil to come out in my impatience with other drivers, or for a new tidbit of news to start flowing around the office and I find myself sharing the latest gossip. We all have human frailties and slip along the path. Isn't it wonderful to know that Christ blood allows us to ask for forgiveness and to move on knowing he loves us even in our weakness.

On a final personal note I would like to thank everyone for their prayers and words of comfort during my Mom's bout with cancer. I am happy to report that she had her final visit with the oncologist last week and was given a clean bill of health.

Blessings, Ann
