

# GRASS MASTERS

**Greene County ALFA Office  
Eutaw, Alabama**

**6:30 - 8:30**

**October 27 and November 3, 10, 17**

Grass Masters is a comprehensive four-day study (two hours) on basic topics from Soil Fertility and Weed Control to Plant Physiology and Grazing Systems. The cost of the program will be \$40.00 and this will provide the power point presentations in a manual, light refreshments and a Grass Masters cap. This program is designed for beginners and long time forage growers who want to understand more about the management of forages for profitability.

## Speakers:

**October 27:**

**Josh Elmore, REA—Grazing Management  
Jonathan Gladney, REA - Soil Fertility**

**November 3:**

**Dr. Kathy Flanders, AU Specialist - Entomology
