UCSB Aquatics Program - Employment Application

Recreation is an essential component of the educational experience at UCSB. The Department of Exercise and Sports Studies and Recreation (ESSR) recognizes the value of developing the total person by attaining a balance of mind and body. Based on this philosophy, the UCSB Aquatics Program strives to:

- provide a safe, fun, healthy, service-oriented environment
- embrace and celebrate human diversity
- provide leadership and development opportunities for student staff
- promote positive lifestyle choices

The Rec Cen, including the Aquatics Complex, is a function of the ESSR department and is funded by student and user fees. The Rec Cen, including the Aquatics Complex is financed by students, governed by students, and exists for students, faculty, staff, and alumni. UCSB students provide the vision, leadership, and commitment to keep both the Rec Cen and the Aquatics Complex a vital and vibrant part of individual development and university life.

Supplemental Questionnaire

Given the statements above, please answer the following questions. Use this page or an attachment.

- 1) Why do you want to work for the Aquatics Program and why in this position specifically?

- 2) What contributions could you make to this position and the Aquatics Program?

- 3) What makes you the best person for this position?

- 4) What extracurricular or outside activities and/or leadership roles have you been involved with that would be beneficial for you in this position?

- 5) List all aquatic related experiences or hobbies, ie surfing, boating, SCUBA, water polo, etc.
