ABOARD THE DELUXE M.S. LE DIAMANT

MAY 26 TO JUNE 7, 2009

FEATURING A PRIVATE MEETING  
WITH LECH WALESA

# UNIVERSITY OF CHICAGO ALUMNI

Dear Chicago Alumni and Friends:

We are delighted to invite you to experience the magnificent beauty of Norway's fjords and the cultural rebirth of the Baltic states on this special voyage during summer's spectacular White Nights. We are particularly proud to announce that this program offers a once-in-a-lifetime opportunity to meet with Lech Walesa, winner of the Nobel Peace Prize and leader of the Solidarity movement's struggle against Communist rule, which eventually toppled Soviet domination in all of the Baltic states and Eastern Europe.

This unique itinerary includes accommodations aboard the exclusively chartered, deluxe M.S. LE DIAMANT, one of the world's most celebrated small cruise ships, featuring only 113 outside staterooms. Continually refurbished, the ship offers a luxurious sanctuary with personalized service, fine cuisine and elegant amenities.

Embark in the historic port of Bergen, Norway, and cruise along the Norwegian coast to discover the stunning beauty of the fjords. Call on the port of Copenhagen, the regal capital of Denmark, before visiting the recently reborn Baltic states as they experience their post-Soviet renaissance. From the medieval lanes of Riga, Latvia, and Tallinn, Estonia, to the legacy of Gdańsk, Poland's, "Solidarity" movement and a free and vibrant St. Petersburg, Russia, observe their rich traditions and newfound cultural vitality.

Throughout the journey, your understanding of this rapidly changing region will be enhanced by a series of included and optional excursions led by expert guides. To complement your cruise program, we invite you to join the special two-night Pre-Program Option in the ancient Hanseatic city of Bergen, Norway, and/or the two-night Stockholm Post-Program Option.

The romantic White Nights of Summer, the deluxe M.S. LE DIAMANT and the exclusive itinerary including a private meeting with Polish hero Lech Walesa make this an ideal opportunity to experience one of the most important historical epochs of our time and the Baltic region's rich cultural heritage. This distinctive Cruising the Baltic Sea and the Norwegian Fjords program has sold out quickly the last four years, so we urge you to make your reservation now.

Sincerely,

*Cover: Marvel at Norway's glacier-covered fjords, Northern Europe's most majestic scenery.*

## GDAŃSK, POLAND

*Sunday, May 31*

Arrive in Gdańsk, a historic city that features some of Poland's finest medieval and Renaissance architecture. In 1980, Gdańsk's Lenin Shipyard workers, led by Lech Walesa, founded the Solidarity movement—the first independent trade union in Eastern Europe and the key factor in the Polish struggle against Communism. Tour the historic yards and see the Monument to the Shipyard Worker, raised in memory of a violent strike in 1970. Continue to the Old Town and visit the stately 14th-century Town Hall, a beautiful Gothic structure noted for its Dutch Mannerist interior. Remarkably restored after World War II, it is now the home of the Museum of the History of Gdańsk.

By exclusive arrangement, meet privately on the ship with Lech Walesa. He will share his insights into the Solidarity movement, which played a seminal role in the pursuit of Polish democracy and the collapse of Communism in Eastern Europe.

*Stroll through Tallinn, a hub of European culture and commerce, which retains its history in the 600-year-old spires and gables of its skyline.*

## CRUISING THE BALTIC SEA

*Monday, June 1*

Spend the day at leisure on board the deluxe M.S. LE DIAMANT, while cruising the Baltic Sea.

## RIGA, LATVIA

*Tuesday, June 2*

Once a member of the Hanseatic League, Riga has been listed as a UNESCO World Heritage site for its combination of national romantic, art nouveau, neo-Gothic, neo-Baroque and ultramodern architecture. Attend the specially arranged organ recital in St. John's Church, one of Riga's oldest buildings, originally a Dominican chapel consecrated in the 13th century. Tour Old Riga and see the Great Guild Hall Square, the Swedish Gate and the artfully designed Blackhead's House, a magnificent 14th-century guildhouse destroyed in World War II. It was completely rebuilt with bricks donated by Riga's citizens to commemorate the city's 800th anniversary in 2001. The afternoon in Riga is free for independent pursuits.

## CRUISING THE BALTIC SEA

*Wednesday, June 3*

The day is at leisure on board as you cruise the Baltic Sea.

## ST. PETERSBURG, RUSSIA

*Thursday, June 4*

Arrive in the marvelous city of St. Petersburg, founded by Peter the Great in 1703. Spend two days exploring the city's legendary landmarks, scattered across more than 100 islands linked by six times as many bridges.

Begin your day with the specially arranged, early-opening tour of the Hermitage, a former czarist palace and one of the world's greatest art museums. Its spectacular collection is rivaled only by its ornate interiors.

Following lunch, drive along the main thoroughfare, Nevsky Prospect, lined with exquisite Russian Baroque and neoclassical architecture, and see the Church of the Spilled Blood and 19th-century St. Isaac's Cathedral, crowned by a striking golden dome. Tour the city's first building, Peter and Paul Fortress, which was constructed in 1703 to defend Russia against Swedish invasion and to secure Russia's access to the sea. The impressive Baroque Cathedral of Sts. Peter and Paul contains the tombs of all of Russia's czars, from Peter the Great to Nicholas II.

This evening, attend an optional ballet performance in the Hermitage Theater or an optional Russian folklore show in the Nikolevsky Art Center.

*In Stockholm's most historic district, the Gamla Stan, stroll through narrow alleys and pedestrian walkways lined with colorful buildings.*

UNESCO World  
Heritage site  
Air  
Cruise

*Discover Copenhagen's Viking roots along the city's scenic waterfront, where centuries of maritime history still come to life.*

## ST. PETERSBURG

*Friday, June 5*

Enjoy the day at leisure, or join an optional excursion to the imperial compound of Pushkin and Catherine Palace, an elaborate Baroque edifice built in 1741 by Peter the Great's daughter, Elizabeth I, in honor of her mother. The tour is highlighted by the extraordinary Amber Room, whose six tons of solid amber, deftly carved and framed in gold leaf, were the crown jewel of Russian art until the room was looted by the Nazis in 1941. The room was meticulously reconstructed to commemorate St. Petersburg's 300th birthday in 2003.

Alternatively, join an optional tour of Peter the Great's elegant summer estate and palace at Petrodvorets. Lined with exquisite gilded fountains and white marble statues, the palace gardens are among the most spectacular in the world. The visit includes a walk through the palace and grounds. Return to St. Petersburg by hydrofoil.

*Many 17th-century palaces and cathedrals are interspersed among charming bookstores, antique shops, cafés and restaurants.*

## TALLINN, ESTONIA

**LECH WALESA**

We are honored to announce that by exclusive arrangement while in Gdańsk, our group will have a private meeting with Lech Walesa, winner of the Nobel Peace Prize and leader of the Solidarity movement in its fight against Communism.

A worker in Gdańsk's Lenin Shipyard, Walesa emerged as a worldwide symbol of the resistance against Communism during the shipyard workers' strike of 1980 and the establishment of the Solidarity labor movement. Despite winning the right to form an independent union, Walesa and Solidarity were forced to continue their struggle against the Soviet-backed regime of General Jaruzelski, which jailed Walesa and imposed martial law in Poland in December 1981.

In 1983, Walesa received the Nobel Peace Prize, a watershed moment widely considered to have been the first crack in the Iron Curtain of Soviet Communism that crumbled with the Berlin Wall in 1989. Only the third foreign dignitary, after the Marquis de Lafayette and Winston Churchill, to address a joint session of the U.S. Congress in 1989, Walesa served as President of Poland from 1990 to 1995.

We are indeed proud that this Polish hero and international symbol of the pursuit of freedom and democracy has agreed to meet with our group.

*The 15th-century Gdańsk Crane is the largest medieval port crane in Europe and symbolizes Poland's glorious maritime heritage and seafaring traditions.*
