I, _____ am an applicant for the Teacher Education Program at the University of Central Arkansas and/or will be entering an early field experience. I have been advised that prior to admission into the program and/or participation in early field experiences, I will submit to an electronic criminal history/sex offender background check. I hereby give my consent for information obtained in this background check to be used in making teacher education admission decisions. If the background check is returned with anything other than no records found, it may result in the denial of admission into the program and/or the participation in early field experiences. I also understand that to reverse this decision, I must submit an approved Arkansas Department of Education fingerprint background check from the Arkansas State Police and FBI. I understand that due to length of time to have an approved fingerprint background check returned, my admission into the teacher education program and field experiences may be delayed.

I hereby certify that all information provided in this consent form is true, correct, and complete. If any information proves to be incorrect or incomplete, I understand that grounds for denial of admission into the UCA Teacher Education Program, denial of participation in early field experiences, or removal from the teacher education program will exist.
