Phase Change Packet  
(Phase III to Phase IV)**

**For the Participant:**

**On a separate sheet of paper, answer the following questions. It is to your advantage to provide as much detail and information as possible when answering these questions. Make sure your name is on every page and that you write legible. Remember, this is a reflections of your time spent here in Drug Court Treatment. After you have completed the packet, turn it into your counselor.**

- 1. Describe the progress that you have made working through your steps and explain the importance of working the twelve step program..**
- 2. As you advance to Phase IV, your program requirements are lessened. What are your plans on continuing to work your recovery program with less structure placed on you?**
- 3. Going into Phase III, you listed the goals that you wanted to achieve while in Phase III. Explain what those goals were and if you have achieved them or not. If any of the goals were not reached, explain where you are in respect to completing them.**
- 4. Describe the importance of acceptance in your recovery.**
- 5. Describe how you see your progress made in Drug Court so far. Include the obstacles, challenges and conflicts you have encountered while in Drug Court.**
- 6. Describe why you feel you are ready to advance to Phase IV.**
