

Honors Freshmen Early Registration Form

Reference Sheet

STATE
YOUR HONORS.

Even before you arrive on campus for Preview, Honors Program advisors are dedicated to helping you receive the benefit of early registration. However, our advisors need to know a little about YOU and YOUR PREFERENCES to begin customizing your Fall 2015 schedule. The sooner you submit your form, the sooner our advisors can respond to your preferences!

Once you have gathered materials in advance, completing the Honors Freshmen Early Registration Form will require approximately 20 minutes. The online form does not allow saving and will time out after approximately 15 minutes of inactivity. Before visiting the web address above, please review these helpful tips:

Gather the following pieces of information:

- ☐ A list of courses taken or in progress at a community college, including courses taken for dual credit (institution, department/course number, course title/grade)
- ☐ A list of the Advanced Placement tests you have taken or plan to take and the scores you earned (if known)
- ☐ A recommendation from the Illinois State University foreign language placement test, if you completed it (information about this is in the next section)
- ☐ A list of your grades from Math and Foreign Language classes taken in high school

Are you interested in taking a French, German, or Spanish course?

French, German, and Spanish offer online placement tests. If you are interested in taking one of these languages in the fall, complete the placement test from the Languages, Literatures and Cultures website **BEFORE** you start the form. Visit <http://lan.illinoisstate.edu> to access the online placement tests.

- ☐ Select French, German, or Spanish.
- ☐ An option for the "Online Placement Test" is located on the left side of the website.
- ☐ The results are not stored. Make note of the recommendation, as we will ask for that information on the form.
- ☐ Whether or not a foreign language is required will be addressed on an individual basis at Preview.

We want to know who you are!

Please take a "selfie" we can use to create an Honors display. The online form will prompt you to upload your selfie file. Name the selfie file using this pattern (last name first name – no spaces, no punctuation):

Reggie Redbird would upload a file named RedbirdReggie.jpg

(Acceptable image types are .jpg, .gif, and .png)

Additional Information:

AP Credit	Compass Math Placement Exam	Frequently Asked Questions
We know that you will not receive your scores until July; please do not wait to complete the Honors Freshmen Early Registration Form! We will plan your schedule taking this information and possible credit into consideration. This link has information about what scores are required on AP Exams to receive credit: http://bit.ly/isuhonorearlyregistration	If your math ACT subscore is below 27, you must take the Compass Math Placement Exam. Please refer to the University College Testing Services website for information about the placement exam. If necessary, take the exam as soon as possible and prior to attending Preview. The website includes information on taking the test at Illinois State University or other locations and study materials. http://bit.ly/isucompass	Can I change my schedule at Preview? <i>Yes, you will be able to make changes based on course availability.</i> If my schedule is already made, do I still need to attend Preview? <i>Yes, you still need to attend Preview, where you will meet individually with an Honors advisor.</i> The online form only asks about math, science, and foreign language. How many classes will I take? <i>Your schedule will be 4 or 5 classes; we only ask questions about courses where students have a variety of options.</i>
