

May 10, 2016
Jet Propulsion Laboratory (JPL) Mall
*** 9:00 a.m. – 1:00 p.m.**

*Exhibit schedule only. Does not include registration and set-up time for exhibitors.

Description: This exciting event will provide an opportunity for small businesses to exhibit their products, services and capabilities to the JPL technical and procurement community.

Approximately 40 or more small businesses will be selected to visit JPL to demonstrate how their products and services can benefit future JPL missions, research and development, and institutional support and operations efforts.

Targeted Capabilities: The Laboratory's targeted core capabilities for the Supplier Fair include, but are not limited to the below. Commodities and Support Services will also be considered for this opportunity.

- | | |
|--|--|
| *Astrobiology and Life Detections | *Lasers and LIDAR Systems |
| *Biotechnology | *Mobility Systems and Robotics |
| *Commercial Remote Sensing | *Satellite Data and Information Technology |
| *Earth and Space Science Research & Applications | *Sensor Instrument Technology |
| *Electrical, Mechanical and Systems Engineering | *Space and Ground Communications |

Eligibility Requirements:

- To be considered a potential exhibitor, the business must be a small business; small disadvantaged business; woman-owned; veteran-owned; service-disabled veteran-owned; or a certified HUBZone firm.
- Companies are not eligible to apply if they have participated as exhibitors within the past three (3) years.

Application Instructions: Please read carefully and make note of the application deadline.

- All applications must be submitted to the JPL Small Business Programs Office by 4:00 P.M. (PST) on **Monday, April 4, 2016**. Applications received after the deadline will not be considered. Submit applications by First Class mail, facsimile or E-Mail to:
 - JPL Small Business Programs Office, 4800 Oak Grove Drive, M/S 201-205, Pasadena, CA 91109-8099
 - FAX: (818) 393-3027; Attention: Small Business Programs Office
 - E-Mail: SmallBusiness.ProgramsOffice@jpl.nasa.gov
- All sections must be typed and completed with sufficient information or the application will be deemed incomplete.
- Do not exceed the space provided within each section of the application.
- Do not submit additional documents or attach additional pages. Additional documentation will not be reviewed.
- Include a scanned or photocopied image of your company's business card with your application.
- Applications are reviewed and evaluated by a JPL Committee.
- Selected companies will be notified on or before **Monday, April 18, 2016**.
