

"Remember an Angel, Swing for a Survivor" 7th Annual Golf Tournament

In Loving Memory of Alec James Kahler

On Saturday, August 8, 2015, we will once again be hosting our "Remember An Angel, Swing for a Survivor" golf outing supporting the much needed research for Congenital Heart Defects. We have held this event now for six years in memory of our youngest son, Alec James Kahler, who passed away from a heart defect in 2008. In my heart, I wonder if there had been more research, would Alec have had a better chance of survival.

Statistics show 1 out of every 125 babies is born with a congenital heart defect, yet children's heart defect research is grossly under-funded relative to the prevalence of the disease. The Children's Heart Foundation is a 501(c)(3) tax-exempt charitable organization. It is the only National non-profit organization that exclusively funds the research of congenital heart defects.

Since Alec's death, our mission in life is to help another family never experience the anguish of losing a child to a congenital heart defect. Over the past six years, "Remember An Angel, Swing For a Survivor" has helped raise over \$180,000 in Alec's memory to go to The Children's Heart Foundation and congenital heart research. This year, we are excited to host our 7th annual event **at Butler's Golf Course** in **Elizabeth**, **PA**. We would be most grateful to have you join us as a sponsor or to donate an in-kind item that may be used the day of the event as an auction item to help raise funds. Like my own son, thousands of innocent children die every year as a result of congenital heart defects. Your partnership can help us make a difference for so many families and children. We believe this fun-filled day will enable us to raise funds to sufficiently help, support, and prevent congenital heart defects. Please consider joining us in "Saving Children's Lives – One Heart at a Time." Our tax ID number is as follows and you will receive a thank you letter from the State/National Headquarters of your donation. EIN: #30-0519727

We would like to thank you in advance for your time and support. If you would like more information you can contact me directly at (412) 996-5163 or via email at <u>Littlegepk@aol.com</u>. For more information regarding The Children's Heart Foundation you can log onto <u>www.childrensheartfoundation.org</u>. Any donations can be mailed to the contact below. (Please make monetary donations payable to The Children's Heart Foundation.)

Respectfully from our heart to yours,
