

LBSC 888 Grading Form: Leading a Discussion

Group:

Topic:

Date:

Aspect	Points	Comments
Content	Out of 10	This is where I comment about the content you offered for class discussion. For example (including, but not limited to): Did you lead the discussion in such a way that helped the class better understand the content of the module?
Structure	Out of 10	This is where I comment about how you led the class discussion. For example (including, but not limited to): Were you able to support a lively discussion? Were you able to organize discussion threads without wandering off-topic?
Participation of class	Out of 5	This is where I comment about how the class was supported by your discussion leadership. For example (including, but not limited to): Were people interested? Energized? A partner in the discussion?
Total	Out of 25
