Water Conservation Rebate Program Terms – Important Updated January 2015

The Qualifying devices must be installed on Sites located within the District that are served by California American Water. By signing the application, I acknowledge and agree to the following:

- ❖ The purchased device(s) must be new and must be an approved model.
- ❖ Complete applications will be processed in the order received. This offer is subject to available funding.
- ❖ The rebate amount will not be higher than the cost of the device plus installation if professionally installed, but will never exceed the rebate amount allowed.
- ❖ All Turf Replacement Rebates must have WW House Call and pre and post inspections by California American Water Conservation Specialist. Separate rebate application will be provided during inspection.
- ❖ Qualifying Devices and Amounts (**Sacramento and Larkfield Only**):
 - Residential High Efficiency Toilets (HET) – (1.28 gpf or less) or Dual Flush Toilets \$125*
 - Ultra High Efficiency Toilets (UHET) – (less than 1 gallon. Must be Water Sense Certified) \$150*
 - Residential High Efficiency Clothes Washers (HECW) – (Water Factor 3.0 Most Efficient Model 2015) \$200
 - Commercial High Efficiency Toilet (HET) – (1.28 gpf or less) \$200*
 - Commercial High Efficiency Clothes Washer -- \$400
 - High Efficiency Dishwashers (5.8 gallons maximum) -- \$125
 - High Efficiency Urinal -- \$200
 - Pint Urinal -- \$250
 - Zero Water Consumption Urinal -- \$300
 - Residential Smart Controller -- \$200
 - Commercial Smart Controller -- \$50 per station
 - Rain Sensor attached to an irrigation system -- \$40
 - High Efficiency Sprinkler Nozzles (minimum 15) -- \$4 and \$10 for large Rotors (Call for List)
 - Rain Barrel (Minimum 50 Gal capacity, Maximum 4 per account) \$75 per Rain Barrel
 - Pool Covers: \$50 for manual pool cover
\$200 for permanent mechanical pool cover
 - Must cover at least 85% of pool surface area (multi-piece or single-piece okay)
 - Must submit photograph of pool cover covering pool
 - Must be made of material that decreases evaporation rate, ie. solar blankets; mesh covers do not qualify
 - New pool covers only; may reapply for rebate after two (2) years
- ❖ **Old toilets being replaced must be 3.5gpf or higher to qualify. We no longer rebate 1.6gpf toilets.**
- For Turf Replacement Rebates use separate Turf Rebate Application provided at pre-inspection.**
 - Residential Turf Replacement (**Must have WW House Call to qualify**)
 - Commercial Turf Replacement (**Must have CII Audit to qualify**)
- ❖ Device(s) must be installed at the address identified on the application prior to submittal of this application.
- ❖ All devices for which a rebate is issued are subject to **on-site installation verification** inspection. If device installation cannot be verified, the payee must reimburse the Rebate Program for rebate funds received, including all associated processing costs.

Rebate Program Instructions and Terms

- ❖ Confirm that the device(s) is identified on the list of approved products. For HET rebates, the model numbers for both tank and bowl must be on the list. For clothes washer(s), the device(s) must be Water Factor of 3.0. Dishwashers must rank using no more than 5.8 gallons. Visit www.amwater.com/caaw or call 916-568-4201 to confirm eligibility. Refer to EnergyStar at www.energystar.gov. Consortium for Energy Efficiency at www.cee1.org Water Sense US EPA at www.epa.gov for approved appliances and toilets. For Approved Smart Controller list go to http://www.epa.gov/watersense/product_search.html?Category=5
- ❖ Tenants must get owner authorization in writing to receive rebate.
- ❖ Attach the original sales receipt to this application. Receipt(s) must include the make and model of the device(s) purchased. Receipts must be received within the 120 days of purchase.
- ❖ Attach a copy of your most recent water bill for the address where the device(s) were installed. If you reside in an apartment complex, condominium or mobile home park, please contact your Homeowner's Association or manager for a copy of the water bill.
- ❖ Retain a copy of this application and the sales receipt for your records. The Rebate Program is not responsible for materials lost or delayed in the mail, including misdirected mail. ***Please provide a self addressed stamped envelope if you would like your receipts returned.***

Disclaimer

California American Water makes no representation or warranty regarding the devices eligible for rebates under the Rebate Program. By participating in the Rebate Program, you waive and release CAW from any and all claims and causes of action arising out of the purchase, installation or use of the devices purchased in connection with the Rebate Program. Any claim you may have based upon any defect or failure of performance of a device purchased by you should be pursued with the manufacturer/distributor.

Please submit application and other items required to:
