## EQUESTRIAN DAY CAMP

**BEGINNER RIDERS**

**JUNE 2 AND 9**

The UMC Equestrian Day Camp will be held June 2 or June on the University of Minnesota, Crookston (UMC) campus. Students will be taught about riding and caring for horses. Students ages 8 and older can attend either session. Beginner riders have one year or less of lessons/formal riding in any discipline. Call if you have questions. This is a hands-on camp where you will be working with the UMC horses all day long. English or Western styles will be taught.

Each participant will be assigned a University horse to care of for the day. Participants will be encouraged to live the dream of being immersed in the equestrian industry.

All activities during camp are designed to introduce and expand the equestrian industry to campers in a fun and interactive way. See proposed schedule for details. The fee for this camp is \$60.00 for those who register before one week prior to camp date (\$75.00 after the one week deadline). The fee is due at the time of registration and includes lunch and camp souvenir.

Campers will need to wear appropriate foot gear (1\_ heeled boots, no hiking or fashion boots), long jeans appropriate for riding, and a helmet that meets all the ASTM F1163-00 standards and is SEI certified. You are encouraged to buy your own helmet, but we do have helmets campers can borrow.

You will be required to fill out a camper information sheet, insurance and health information, and a liability release when you register for the camp. This will be mailed to you upon receipt of registration form in this brochure and payment.
