

Addendum No. 2

Revision to Section 2 – Scope of Work
ITB #16-01 Corporate One Demolition
Due Date: January 19, 2016 @ 2:00 p.m.

This addendum is issued as part of the ITB described above. The intent of this addendum is to revise Section 2 – Scope of Work, number 12, which previously stated, “After mandatory pre-bid meeting, nothing will be added or removed from the building.” As the District announced at the mandatory pre-bid meeting held on Thursday, December 17, 2015, due to unforeseen circumstances, it has been determined that the equipment listed on page 2 and 3 of this addendum will be removed by the District after the mandatory bid meeting, but prior to demolition. Section 2 – Scope of Work, number 12, has been amended to state the following:

“After the mandatory pre-bid meeting, nothing will be added or removed from the building, with the exception of the removal of the items noted in Addendum 2.”

The changes incorporated in this addendum shall supersede, amend, add to, clarify, or subtract from the original document. The proposer shall acknowledge receipt of this addendum by signing and incorporating the addendum into the proposal. Failure to incorporate this addendum is cause for disqualification.

We hereby acknowledge that we have read, understand, and will include this addendum in the original ITB. Further, we acknowledge that the changes incorporated in this addendum shall supersede, amend, add to, clarify, or subtract from the original document.
