Annual pie auction to be held Friday night

BOONVILLE — It's that time of year again! The 19th Annual World Famous Boonville Silver Pirate Band Concert and Pie Auction will be held on Friday, January 17 at 6:45 p.m. in the Laura Speed Elliott Middle School Auditorium. The concert will

feature the fifth, sixth, seventh, eighth grade bands, the Boonville High School Silver Pirate Band and the Derendinger Auction Service. Last year, the money raised from this event was used to purchase new instruments, feed the band

on school trips, as well as provide scholarships for students to attend music camps. The event has been a "delicious" success in years past, raising thousands of dollars for equipment, new band uniforms, scholarships, and travel meals for students in the

Boonville Band program. With the music of the bands and the stellar talent of the auctioneers, the goal of the Boonville Silver Pirate Band Pie Auction and Concert is to put the "fun" back in "fundraising." To chase away the January cold the audience is

cordially invited to a Chili Supper held with the Band Concert and Pie Auction. The mouthwatering Chili will be served from 5-7:30 p.m. The bands will be performing a wide range of musical styles, including marches, overtures, popular, and swing music, with extra added entertainment by the world famous and extraordinary pie auctioneers from Cooper County. Professional and dedicated auctioneers Col. Tim Derendinger, Col. Randy

Reynolds, and Col. David Stock specialize in turning a pie auction and chili supper into a fantastic evening of music and fun. This is a great time to get out, enjoy some great band music, and see what's cooking in Boonville at this entertaining event. Come continue the tradition of great food, music and fun with the chili supper at 5 p.m. in the LSE cafeteria and the band concert and pie auction at 6:45 p.m. on Friday, January 17 at LSE Auditorium.

REAL ESTATE & MACHINERY AUCTION SATURDAY, JANUARY 18 • 10 AM 2624 A Highway, Otterville, MO ~ Machine Shed on 47 Acres m/l

We will sell the following described real estate and personal property at public auction located: From the junction of 50 & A Highways (East of Sedalia), take A Highway North 1/2 mile to Old Route 50/A. Turn right and continue 4.4 miles through Otterville. Watch for signs.

This 47 m/l acre tract is located just a few minutes northeast of Otterville, Missouri. The farm has access off A highway on the west end in addition to gravel frontage all along the north side via Wildlife Road. The farm is fenced and cross-fenced into 8 paddocks with freeze-proof waterers that are fed from a well on the property. The property also boasts a 50'x30' metal

machine shed with a large sliding door. The shed has electricity and concrete floor through one third of the building. It is a nice addition to the property that would provide a place to store and work on your machinery. There is even a small set of working pins just outside the shed. The property is in the Otterville R-VI School District. East of Otterville (where A turns north), go north on A Highway 1.5 miles to the sale site.

AUCTIONEER'S NOTE: This farm can handle several head of cattle, as Mr. Wolfe used the rotational grazing system. Last summer they ran 60 head on the acreage and had grass left over! Plan to attend this sale Saturday, January 18th.

TERMS: The opening bid on the property will be \$1,490/acre. Any bid at or over that amount and the property will sell the high bidder. We will require \$10,000 down auction day, with the balance due at closing to be held on or before Tuesday, February 18th, 2014. Seller will provide an owner's title policy, and the buyer will be responsible for any lender's policy. Taxes will be prorated at closing, and the closing fee will be split 50/50.
