

CHILLERS

2016 IOWA FOR YOUR BUSINESS REBATE APPLICATION FORM

Instructions: Fill out form completely and sign. Attach itemized invoice(s). Identify each individual piece of equipment; use additional sheets if necessary. MidAmerican Energy Company will verify unit efficiencies as listed in the current and applicable AHRI standard cooling capacity and efficiency (EER). **Failure to complete the form and provide documentation could result in claim being delayed, returned or denied.**

Equipment must be purchased between Jan. 1, 2016, and Dec. 31, 2016. Equipment must be installed and operating prior to submission of final rebate application.

Rebate application must be submitted within six months of dealer invoice for the equipment/material purchased. The rebate will be based on the rebate schedule in effect on the date of dealer invoice for the equipment/material purchased. Rebate applications received after six months of dealer invoice will not be eligible for rebates.

Questions about the forms or need assistance with the forms? Call our energy efficiency representatives at **800-894-9599**.

Customer Information					
Company name on bill			Mailing address (if different than installation address)		
Installation address			City	State	ZIP
City	State	ZIP	Phone	Self-installed <input type="checkbox"/> YES <input type="checkbox"/> NO	
Contact name			Title		
MidAmerican Energy Company account number (found on bill; first seven digits only)			Email address		
My facility had an energy assessment in the following program (check if applicable):					
<input type="checkbox"/> Industrial			<input type="checkbox"/> Multifamily Housing		
<input type="checkbox"/> Commercial			<input type="checkbox"/> No assessment has been completed		
<input type="checkbox"/> Agribusiness					
Date assessment completed (month/year) _____					
Equipment installed in what type of facility? (check one)					
<input type="checkbox"/> Lodging		<input type="checkbox"/> School/college		<input type="checkbox"/> Restaurant

Specific Terms and Conditions

- Participants must be commercial or industrial business customers with facilities located in MidAmerican Energy Company's **Iowa** service territory.
- MidAmerican Energy Company must provide the primary electricity to the equipment at the facility for which the rebate is being paid.
- Equipment installed as a replacement unit, retrofit or in new construction is eligible.
- Chillers must exceed the minimum efficiency requirements per Iowa State Energy Code (IECC 2012). Both the full load and IPLV minimum efficiencies shall be exceeded to fulfill the requirements as outlined in IECC 2012.
- Chiller must not be a backup service unit.
- IPLV ratings must account for variable frequency drives (VFDs) installed on the chiller compressor, if applicable.
- Chiller loads must be at least 80 percent comfort cooling.
- Chillers must not be used for ice production during off peak hours.
- Chillers >299 tons may be reviewed through Nonresidential Equipment Custom Systems.
- Chiller capacity (tons) must be based on standard AHRI testing conditions. Cooling capacity, full-load efficiency rating and IPLV rating must be at standard AHRI testing conditions (AHRI Standard 550/590).
- A manufacturer's specification sheet with the rated EER and kW per ton must accompany the application.
- Rebates cannot exceed 70 percent of the installed cost (materials and reasonable labor). You will receive the lesser of the rebate amount or 70 percent of installed cost.
- Rebate based on actual equipment rating in Btuh at AHRI-rating conditions. To convert Btuh to tons, divide the Btuh by 12,000. For example, if you are converting 24,000 Btuh into tons, divide by 12,000. The result is 2 tons.
- **Equipment must be purchased between Jan. 1, 2016, and Dec. 31, 2016. Equipment must be installed and operating prior to submission of final rebate application.**
- Rebate application must be submitted within six months of dealer invoice for the equipment/material purchased. The rebate will be based on the rebate schedule in effect on the date of dealer invoice for the equipment/material purchased. Rebate applications received after six months of dealer invoice will not be eligible for rebates.
- **Allow 4 – 6 weeks for rebate processing.**

General Terms and Conditions

Important: Before completing and signing this form, please read the General Terms and Conditions located in the 2016 **For Your Business** rebate booklet or at www.midamericanenergy.com/ee.

Custom Equipment

If specific equipment you intend to purchase and install is not listed, it may qualify under **Nonresidential Equipment Custom Systems**. Call MidAmerican Energy Company at **800-318-8915** with questions about application procedures, qualifying projects, incentives or verification procedures. Custom project rebate must be preapproved by MidAmerican Energy Company.

Disclaimer

MidAmerican Energy Company does not guarantee that installation and operation of high-efficiency equipment will result in reduced usage or in cost savings. MidAmerican Energy Company makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall MidAmerican Energy Company be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. MidAmerican Energy Company reserves the right to cancel or change these programs at any time. MidAmerican Energy Company's acceptance of this application does not guarantee payment of rebate.
