The Bright Start® College Savings Program is administered by the State Treasurer of the State of Illinois and distributed by OppenheimerFunds Distributor, Inc. OFI Private Investments Inc., a subsidiary of OppenheimerFunds, Inc., is the program manager of the Plan. Some states offer favorable tax treatment to their residents only if they invest in the state's own plan. Investors should consider before investing whether their or their designated beneficiary's home state offers any state tax or other benefits that are only available for investments in such state's qualified tuition program and should consult their tax advisor. These securities are neither FDIC insured nor guaranteed and may lose value.

Before investing in the Plan, investors should carefully consider the investment objectives, risks, charges and expenses associated with municipal fund securities. The Program Disclosure Statement and Participation Agreement contain this and other information about the Plan, and may be obtained by visiting [brightstartsavings.com](http://brightstartsavings.com) or calling 1.877.43.BRIGHT (1.877.432.7444). Investors should read these documents carefully before investing.
