

Queen of Hearts Jackpot

The current jackpot carryover for the Queen of Hearts Raffle is **\$481.00** (winners share) (7/16/10)

The prizes in this weekly raffle can range from \$10.00 for a lower denomination playing card up to the jackpot, which consists of the Jackpot Carryover plus 60% of the current week's ticket sales. The weekly raffle winner selects a sealed envelope, containing a playing card, from the current game-board and the playing card hidden inside the envelope determines the value of the prize won. Details, and complete rules, can be found by following the "Progressive Jackpot Raffle Started" link on the Kingston Lodge #550 news page.

Each week there are fewer envelopes to choose from and the Jackpot grows until the Queen of Hearts is revealed. When the Queen of Hearts is finally revealed the game is over and a new Queen of Hearts game starts the following week, with a new deck of cards.

It's a fun game and the odds get better, while the jackpot grows larger, each week. If you're in the area stop in and buy a ticket. Drawings are held each Friday at 9:10 PM.

Attached is a picture of the current game board and a subscription form if you would like to play.
