## TACTICAL VILLAGE

Background: Thousands of students, instructors and other visitors attend training, exercises, drills and meetings at the Public Safety Training every year. In order to maintain order, provide an environment conducive to learning and maintain individual safety and privacy, it is necessary to develop and enforce these minimal rules and regulations.

It is the policy of this department to provide a safe and professional environment for students, visitors, instructors and employees participating in activities at the Training Campus.

### Rules and Regulations:

1. The use of cameras, video tape, digital recording or similar electronic transmissions of images, individuals etc. require prior permission. Transmitting images by cell phone is also prohibited without permission.
2. Firearms, offensive weapons, or explosive material may not be brought onto the facility property without authorization. This does not apply to those who utilize firearms as part of their employment, such as police officers.
3. The County reserves the right to search persons and vehicles on the property.
4. The County may restrict access to the facility based on qualifications, credentials or conduct.
5. Parking is restricted to designated parking spaces.
6. Tobacco products is permitted only in designated areas.
7. Groups requesting use of the facility are required to complete an application process.
8. Dress code is to be in accordance with the nature of the class. Classroom attire should be business casual.
